MEMORANDUM

To: LHSAA Principal / Athletic Director / Parish Athletic Director
Superintendent / Head Coach

Subject: LHSAA Select / Non- Select Post Season Bracket / *Revision*
Boys and Girls Basketball / Softball / Baseball

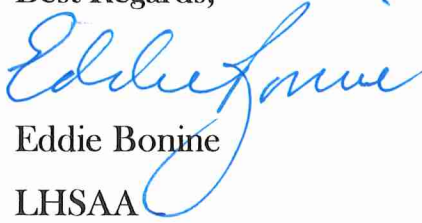

Date: September 16, 2022

One week ago, today, this office disseminated the 2022-2023 postseason brackets for select and non-select sports. Since that time, our office, and those offices of Executive Committee members representing Classifications A / B / C have received several questions and concerns. Also note, several other classifications offering Boys and Girls Basketball, Softball, and Baseball also had questions and concerns. Staff and I shared these concerns with LHSAA Executive Committee officers. They requested this office to organize an Executive Committee meeting, sooner than later, via Zoom, to discuss / relay concerns, as well as listen to those concerns received from Executive Committee members in classes A, B and C. This said, the LHSAA Executive Committee met today, Friday, September 16, 2022 from 9:30 am - 11:30 am via Zoom and worked through any/all items of concern brought forth by all. You will find the results of today's meeting identified with cover sheet "Revision". Also, with the adjustments made to the overall brackets with fewer schools qualifying, this will change / increase the monetary guarantees for those applicable sports. The new payout structure is attached behind the cover sheet "Guarantee / Payout."

LHSAA... Beyond the Game

In closing, thank you to those member schools with whom have been communication with this office and with those respective LHSAA committee members.

Best Regards,
